\*\*\*\* NEW FOR 2007/2008 – SOLO/DUET/TRIO \*\*\*\*

The coaching staff of Toronto Dance Vibe are requesting anyone interested in solos/duets or trios to sign up. The sign up sheet can be filled in anytime between now and the second week of classes in September.

The coaches will review and proportion the students as appropriate. Sign up early to get your choices. We cannot guarantee coaches are available at the times you are requesting. **You need to know the discipline of dance you are interested in, whether you are interested in competition or not and your preferred day of dance.** Please keep in mind, core classes are firm and cannot be moved for solos/duets or trios.

If you are signing up for a duet or trio, please ensure you have spoken to your teammates and that they are in agreement with going forward.

The structure has changed due to the amount of solos/duets and trios we have at the studio. This will help us keep things organized.

Below is the payment structure for solos/duets and trios. Pricing is by class not by student.

Solo/Duet/Trio - Pricing for 2007/2008			
Solo	\$20.00	1/2 hour class	
Duet (12.50 each)	\$25.00	1/2 hour class

If you are emailing your choices, please ensure your email subject line is SOLO/DUET/TRIO 2007. This will help us answer you quickly. The email address is [info@dancevibes.com](mailto:info@dancevibes.com).

Sincerely,
