You are not obligated to purchase thru Toronto Dance Vibe. Should you decide to use a dance store in your area, please bring this with you to the store of your choice. If you are using Hamilton's Theatrical supply they will provide with a similar shoe but NOT what is on the list above. If you use DancExperts, they too will provide you with the best alternative if they do not have the above in stock.

Competitive students MUST purchase through Toronto Dance Vibe to ensure exact styles. Please plan in advance.
