Winter 2008 – published January 28 2008

Happy New Year to everyone from the Staff of Toronto Dance Vibe.

## CLOAKROOMS

I would like to ask that the Girls and Boys changerooms be used as CLOAKROOMS. The first room is typically for girls/moms. The second room is typically for boys or girls/dads. I'm going to ask that children come dressed with their dance clothes on to reduce children needing to completely change at the studio. Children who need to change should use the bathroom where there are doors that lock.

I recognize that certain times are busier than others at the studio. I hope that parents and students can work together to share the facilities while keeping our children safe.

## FRONT DESK

Please remember to see Olivia Lee for your tax receipts. If Olivia is not available the Blue File Box will be on the desk. Statements are filed alphabetically by last name. Please be courteous and only take the statement belonging to you.

Should a reprint be required, there will be a charge of \$5.00 per reprint. Please do not lose or misplace your statements.
