## Winter Newsletter 2010

Happy 2010 to everyone at Toronto Dance Vibe. I wish everyone a happy and healthy year.

Please always check the WEBSITE/ bulletin board / doors/ white board for any updated news.

You should also be asking at the front desk periodically if there is anything you have missed or need to know.

### FAMILY DAY

We will be OPEN for regular classes on Family Day so please attend if you are in town. NO make-ups will be made if you are away.

### A TIDY STUDIO

Please continue to keep the studio free of litter and water bottles. Use the proper disposal. Parents please don't leave your newspapers as we

don't need to be recycling your newspapers.

I continue to ask for no street shoes in the studios.

### COMPETITIVE TEAM

A package of info is being put together and will be on the web within the next few weeks for you. Please ensure you read it and keep the practice date on your calendar.

Also, we need to welcome our Tiny Stars and Novice Competitors to our team this year. They have been working hard to adjust into the world of dance competition.

### COMPETITIVE TRACK SUITS AND JEWELLERY

Competitive track suits are required for all comp students except the Saturday Competitive students.

Your track suit is to be worn to all competitions to represent the studio and show team unity.

Forms will be posted online and at the front desk within 1 week. Those who need a track-suit can order via the front desk. Deadline for orders is Feb 19th. Anything submitted after will NOT be accommodated and you will not be allowed on stage for judging.

Forms for jewellery will also be posted and at the front desk. Deadline for orders is Feb 19th. Anything submitted after will NOT be accommodated. No exceptions as there can be no extra running around for 1 pair of earrings etc.

### COMPETITIVE TEAM TIGHTS

I will again provide the tights for the routines with costumes.

## WHERE AM I

I appreciate everyone's concern but I want to make sure there are no rumours at the studio. I am going through some back issues which caught me by surprise. I have to do what I have to do in order to recover and recovery taking much longer than anticipated. I wish I could be at the studio but right now the right thing is for me to get better which is going to take some time.

I can't thank the staff enough for making things seamless at the studio and for providing quality dance instruction.

Your emails I understand are not getting answered. I have been on the phone with my provider many times and I now have zero filtering and get every email. Any emails I get I respond quite quickly to and I have not ignored any. I apologize for any inconvenience. Please see the front desk if you need to get a message to me and they will email me (provide your email for me).

Sincerely,

*Diane Karstoff*
